Your monthly family dinners are on us

What does your daily commute look like? Dropping your kid to school, going to work and coming back home, right? That's about 25 km in a day.

Now, let's do the maths.
On Rizta: ₹ 100 × 350 km
On petrol scooters: ₹ 100 × 40 km
You save ₹ 16 608 in 1 year.
₹ 83 040 in 5 years.

But wait, there's more.
With fewer moving parts in an EV, you also save on service costs.
₹ 45 000 in 1 year
₹ 22 500 in 5 years

With Rizta, you save ₹ 21 108 in a year.
Enough for one lavish family outing per month.
