

Introducing Assured Buyback of up to 60%*

Your Ather gives back even when you part with it. Return the scooter after 3 years and get up to 60% of its effective ex-showroom value.

Here are the buyback rates:

After 36 months

After 48 months

How to avail

1. You'll get a notification 1 month before your loan tenure comes to an end.
2. Register your interest through this notification.
3. Book your slot with Ather Service Center for vehicle inspection.
4. On the day of vehicle inspection, you will be greeted by Ather's service advisor and the financier's representative at the service center.
5. The service team will inspect your Ather.
6. Our finance partner will share the evaluation report and buyback value with you.
7. Make your decision to return within 7 days or 150 km.

Note: Buyback value may vary basis loan tenure and condition of the vehicle at the time of buyback. The Smartfin buy-back program is run independently by Greaves Finance Limited and is available only for vehicles that are originally financed under this program.
