All capitalized terms used under these Ather Subscription Terms, but not defined, shall have the same meaning as under the Purchase Terms. Ather Subscription Terms will be deemed to be a part of the Consolidated Terms as defined under the Purchase Terms and accordingly, all the miscellaneous and other provisions that form a part of the Purchase Terms are incorporated herein and made a part of these Ather Subscription Terms as if fully set forth herein.

1. ATHER SUBSCRIPTION SERVICES

The Customer can avail Ather Subscription Plans, that includes some or all of the following services (hereinafter referred to as “**Ather Services**”):

1.1 Data Enabled Services: Ather will provide data services whereby Customer may make use of the internet access provided on the Vehicle, and the internet plan offered by the various telecom access providers with whom Ather has partnered. Data services will enable the Customer to use the internet-enabled features on the Vehicle including navigation, Vehicle analytics, connectivity with the Ather mobile application, over the air updates (“**OTA(s)**”) and such other features which may be introduced by Ather from time to time. OTA updates as considered critical by Ather for the functioning of the Vehicle by the Customer may, at the sole discretion of Ather, continue to be provided, at no cost to the Customer, subject to the terms and conditions of the End User Licensing Agreement. The provision of data services shall always be subject to availability of the relevant telecom network. In the event that such a telecom network is not available for any reason whatsoever, Ather shall not be liable for any losses or damages, whether direct or indirect to the Customer. It is also clarified that Ather may,

at its discretion, charge separately for certain non-essential OTAs which are not a prerequisite for the functioning of the Vehicle and as such not all OTAs will be covered in Ather Subscription Plans.

The service plan offered under Ather Subscription Plans have varied features in relation to roadside assistance, etc. The Customer shall be offered only such services as may be provided in the service plans opted by the Customer or offered by Ather .

1.2 Roadside Assistance

- i. Roadside assistance shall be provided by Ather or its Retail Partner or their authorized partner to assist the Customer in the event Vehicle has suffered a breakdown and is unable to move. For the avoidance of doubt, it is clarified that the scope of Roadside Assistance shall be limited to scenarios provided in para (iii) below and the Customer should have an active Roadside assistance plan and/or should be an existing member of the applicable Ather Subscription Plan that contains Roadside Assistance, at the time of occurrence of the incident. In case if the Vehicle is to be towed to the service center, Customer may be required to accompany the Vehicle only in exceptional circumstances.

iii. Roadside assistance shall include the following:

- 1) Onsite support for fixing a punctured tyre. The cost of repairing the punctured tyre(s), including labour charges, will have to be borne by the Customer as per the rate card communicated by Ather's Roadside Assistance Team only.
- 2) Breakdown of the Vehicle and which renders it immovable due to a malfunction of the Vehicle. The cost of replacing spare parts, including labour charges, as part of this activity will be borne by the Customer, unless otherwise covered under the warranty policy as applicable.
- 3) The Vehicle is involved in an accident and is rendered immovable.

However, if Ather's Roadside Assistance team is of the reasonable determination that the Vehicle is not rendered immovable, Ather shall have the right to deny Roadside Assistance.

- 4) The battery of the Vehicle runs out of charge completely and is rendered immovable. Ather shall however only provide Roadside Assistance in aiding the Customer reach the nearest public charging station or customer's residence in case the public charging station is not in working condition.

2. EXCLUSIONS

2.1 Ather or its Retail Partner shall not provide any of the services as specified under Ather Subscription Services or other Ather Subscription Plans introduced by Ather in the event that Ather or its Retail Partner is unable to provide such services due to any Force Majeure Events. For the purpose of this clause, a force majeure event includes civil commotion, sabotage, lockout, strikes or labour disturbances, fire, flood, earthquakes, any other acts of God, explosion, break out of communicable disease, epidemic, pandemic, war, change of law or order by court or regulatory authority, acts of public enemies, quarantine restrictions, any action of the governmental authority or absence of usual means of communication or transportation, or any other cause whether of the same or of a different nature, unavoidable or beyond the control of Ather (each a "**Force Majeure Event**").

2.2 For any Vehicle that is continuing to run in a performance limited mode (or any equivalent mode, where the Vehicle performance is limited by design to ensure safety of the rider or of that of the Vehicle), roadside assistance will not be provided. The Customer is expected to reach his destination (or the nearest Ather Public Charging point in case of battery running low on charge) while riding in such mode before initiating any request for support.

2.3 Roadside assistance in cases of (i) damage to the Vehicle due to the acts or omissions of the Customer or any third party and/or (ii) damage caused due to use of the Vehicle other than in accordance with these Ather Subscription Terms by the Customer or any third party is not included as part of the Ather Subscription Services. In such cases, the Customer may request, and Ather or its Retail Partner may, at its sole discretion, provide roadside assistance services at such rates and additional

costs as prescribed by Ather from time to time.
